

Products Offered

Only products that have been tested for real savings through Certified Distribution's Partner Companies will be offered to fleets. Industry experts and industry standards will not be used as they tend to be exaggerated to help sell the products.

Auto Deploy/Auto Retract Trailer Tail is now available Up to 10 yr P&L warranty.

EkoStinger moves with the tandem ensuring consistent fuel savings.

EcoFlaps provide fuel savings as well as reduce mud flap replacements.

AeroTech provides a low cost skirt option as well as other aero products.

Auto tire inflation and tire pressure monitoring options.

Auto tire inflation and tire pressure monitoring options.

Solar options that provide fuel and maintenance savings.

Ventix 4 and 5 piece skirt systems available. Highest ROI of any skirt tested by us.

Our Partners

cert-dist.com

Certified Distribution is our sister company that negotiates our discounts, tests and certifies our products true fuel savings, and ships the products to job sites for installation.

m-v-t-s.com
